200B

200B

1, 2...200...SPEAK VROOOOM!

1, 2...200...whether its zipping, zapping or zooming through city roads or taking it slow through the woods, 200B will surprise you to the finish line. It's the perfect ride to meet your need for power while off roading and your trusted partner when you're just looking out for your family. Trendy graphics complement its distinctive styling and make this superbike stand out from the pack. Its superior engine delivers whopping power with minimal vibration. Its powerful brakes give you total control when riding at top speed. This stunner comes with the comfort of a wide front foot rest and the convenience of a rear carrier to carry your world along with you. Vroom on!

Top Speed: Even while zipping along at a top speed of 90km/hr, 200B gives you the stability and confidence to always stay in control.

Mileage: At an unbeatable mileage of 2.9L/100km, 200B is one the most fuel efficient models in the off-roader segment.

Electric Start: You're always ready to zip, zap, zoom, all at a simple push of a button.

Hand Protectors

Tempered hand protectors to protect your hands from everything else that comes along.

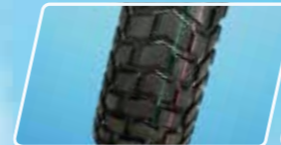

Heat Protector

To shield you from the burning hot silencer surface.

Stylish Double Cylinder Butterfly Disk Brakes

These brakes lend you superior braking power and boost your ride's visual appeal – all in one go.

Wider Tyre for Better Grip

Wider tyres give you solid grip and control over every terrain.

LED Lamp in Headlights

To give you more confidence in your ride with a clearer and wider view of the road ahead.

Rear Carrier

Carry your world through the next adventure.
